**STATE REPRESENTATIVE ALEX ANDRADE TO HOST FARM SHARE AT  
BROWNSVILLE ASSEMBLY OF GOD**

*Pensacola, Fla* – Representative Andrade will host a Farm Share food distribution on Saturday, November 7<sup>th</sup>, at Brownsville Assembly of God located at 3100 W. De Soto St. The distribution will begin at 9AM and continue until resources are depleted.

Farm Share is a nonprofit organization that distributes surplus food to those in need and to food banks, churches, and other organizations across Florida for free.

Families in need of nutritious food will be provided Farm Share food bags free of charge on a first-come, first served basis. Each household will receive a variety of fresh produce that is in season, along with other nutritious food.

“Any relief we can provide for individuals and families is a step in the right direction. Making sure our friends and families are fed during this time of year is critical, as some may still be suffering from Covid-19 and Hurricane Sally.” Andrade says.
