MEDICAL CENTER CLINIC WELCOMES HAYDEN E. HUNDLEY, MD, MPH TO THE PAIN MANAGEMENT DEPARTMENT

February 1, 2021 - Pensacola, FL: The Pain Management Department at Medical Center Clinic is proud to welcome Hayden E. Hundley, MD, MPH.

Dr. Hundley is an anesthesiologist and fellowship-trained pain medicine specialist. He graduated from the University of Alabama with a Bachelor of Science in Biology. After earning a Master of Public Health in Epidemiology from the University of Alabama at Birmingham, he completed his medical degree at the University of South Alabama College of Medicine. Dr. Hundley received his Anesthesiology Internship and Residency training with the University of Pittsburgh Medical Center, Department of Anesthesiology and Perioperative Medicine. He then completed his fellowship in Pain Medicine at the University of Pittsburgh Medical Center, Department of Anesthesiology and Perioperative Medicine, Division of Chronic Pain.

Over the past decade, Dr. Hundley's scholarly presentations have included a wide range of disciplines and appeared on both the national and international stage. His professional memberships include the American Society of Anesthesiologists, American Academy of Pain Medicine, Spine Intervention Society, and North American Neuromodulation Society. Additionally, he participated in multiple advanced training functions and workshops on interventional pain procedures and chronic pain management. Dr. Hundley utilizes multimodal therapies to ease the suffering of patients with chronic pain. Dr. Hundley's multidisciplinary training and expertise will be instrumental to the team of specialists at Medical Center Clinic.

The Pain Management Specialists at Medical Center Clinic offer a comprehensive range of services to patients with acute or chronic pain. The specialists' goal in treatment is to minimize pain while improving function and quality of life.

"Dr. Hundley will help facilitate better patient outcomes for acute, chronic, and cancer-related pain. In conjunction with the department's advanced treatment techniques, Dr. Hundley will make a noteworthy difference in the lives of patients," said Jessica Williams, executive consultant, practice management.
