WSRE to air broadcast premiere of “Hemingway” by Ken Burns and Lynn Novick

PENSACOLA, Fla., March 2, 2021 — Ernest Hemingway is the subject of a new six-hour documentary series, directed by award-winning filmmakers Ken Burns and Lynn Novick, airing on WSRE over three nights, April 5–7 from 7 p.m. to 9 p.m., with general streaming beginning at 7 p.m. on April 5.

“Hemingway” paints an intimate picture of the writer—who captured on paper the complexities of the human condition in spare and profound prose, and whose work remains deeply influential around the world—while also penetrating the myth of Hemingway the man’s man, to reveal a deeply troubled and ultimately tragic figure.

Voice actors include Jeff Daniels as Hemingway; Meryl Streep, Keri Russell, Mary-Louise Parker and Patricia Clarkson as his four wives.
