This summer, Camp Fire Kids explore Florida nature and wildlife! Through Camp Fire Wise Old Willie program, children discover outdoor basics and learn about ecology and the 3 R's. Campers explore Florida flora and fauna from *Project WILD* hands-on activities and games from the Florida Game & Wildlife Conservation Commission.

Camp Fire Kids will get moving and be healthier with the Wise Kids® program. Through hands-on activities, kids learn about Energy Balance, enjoy healthy snacks and enjoy fun activities. Besides games and arts & crafts, campers will develop planning and decision making skills as well as learning to work and play together.
