Keep Pensacola Beautiful's Paint Your Heart Out: Juanita Williams Park

A community beautification event happening at the Juanita Williams Park

May 22nd, 2021– PENSACOLA, FLA. – Paint Your Heart Out is part of Keep America Beautiful's Great American Cleanup. This year, we're helping restore the Juanita Williams Park in Pensacola, Florida.

"We are excited to bring back Paint Your Heart Out for the 3rd year. This Community Center is at the heart of their community and is beloved by many. With the help of our volunteers we will provide this greenspace the facelift it deserves so the all people in its community can enjoy the beautiful park the way it was meant to be enjoyed." says Lauren Dobek, Education and Outreach Coordinator.

Juanita Williams Park is a hidden gem in the Pensacola Area. A waterfront park with a walking path, outdoor grills, benches, and playground equipment, this space is the perfect spot for a family outing. There is a dock that leads to the water that even has a small ramp to launch a kayak or paddle board. Many volunteers have already started the process by picking up litter and washing the community center. The amount of potential of this park is tangible and with the help of local volunteers, Keep Pensacola Beautiful is committed to making this park as gorgeous as possible.

For more information, please visit the Keep Pensacola Beautiful's Facebook event page, website or Instagram.
