THE SISTERS OF HOPE, INC. PRESENTS

SPECIAL PERFORMANCE BY
"SMOKE D"
OF UGK

May 12, 2021

Dear Downtown Pensacola Business Owner,

The Sisters of Hope, Inc. (SOHI) is proud to announce its 1st Annual *Taking Back My Life Benefit Concert* to be held at Vince J. Whibbs Community Maritime Park Amphitheater on Saturday, May 22nd from 10 AM to 4 PM. (Certain aspects of this event will be filmed.)

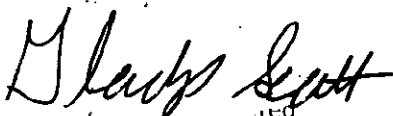

This is the first year that SOHI will work together with business and community leaders to raise funds and host the event. The mission of SOHI ***Taking Back My Life Benefit Concert*** is to educate, inspire, bridge societal gaps, and empower young and older community members to embrace a better future through promoting lifelong learning, entrepreneurship, creative and literary arts, vocational certification, and academic achievement. Our vision is to provide resources to transform the lives of those in the community who will be in attendance or may watch or listen later about the event, to achieve their highest potential. The concert will provide some of the needed resources to achieve our mission. The local Police Department, Fire Department, and other pertinent essential personnel will host activities for the youth and share resources with the community. The overall purpose of the event is to help reach deep-rooted issues that hinder mental and physical progress towards goals by focusing on the healing process of past failures and begin the focus on the successes of new goals through the programs offered through SOHI with our GED program, OSHA and Security Guard Certifications, and the newly added CDL training. We believe that by offering these programs and integrating other community opportunities, we will be providing tools to assist the citizens of Escambia County, Florida to move forward in a positive direction to become productive citizens and eliminate or decrease the crime rate.

Saturday, participants will hear from local and out of state music artists, authors, business owners, and community leaders who will share their stories and inspiring tips on how to move past circumstances that may keep you from walking in your purpose. Resources will be available and a Sign-Up sheet will be provided to help those interested in a second chance to get on the road to pursue dreams and goals.

We strongly believe that your sponsorship will greatly benefit this concert. SOHI is a community-based 501(c)(3) nonprofit, highly dependent on financial contributions and needed items like technology to use for GED testing and on-line certification courses, classroom supplies, meals, and donated food items from community members, local businesses and organizations, such as yours. As a valued sponsor, your business will be advertised on any promotional fliers, social media outlets, website, articles, and media outlets present during the concert. You and your representatives are invited to attend so that we may thank you personally for your support. We welcome incentives for our participants to patron your business during their "time on their own." This presents opportunities for tourism to flourish in historical downtown Pensacola when they see your generosity.

On behalf of SOHI, we would like to thank you in advance for your consideration and sponsorship. Please feel free to contact me for more information about the concert. I look forward to working with you in the near future to better serve our community. Enclosed is the sponsorship form. I hope to hear from you soon, and thank you in advance for your generosity.

With warm regards,

Gladys Scott
