FOR IMMEDIATE RELEASE

New Wake Park Opens at OWA Welcoming First-Timers and Hobbyists Alike
Share the Stoke with Gravity Island Watersports' Beginner-Friendly Get Up Guarantee

(Foley, AL) – Ready to welcome you for your next outdoor adventure are two water attractions from Gravity Island Watersports. Located on a 14-acre lake in OWA's Downtown entertainment district, the brand-new Wake Park is making a huge splash as the next development in watersports.

Designed by Pat Panakos and the Wake Park Project, this Wake Park is the first of its kind in Coastal Alabama. The UNIT ParkTech features set it apart from the rest. Grab a board or a tube and get ready to #ShareTheStoke at Gravity Island Watersports.

The Sesitec 2.0 two-tower cable system is over 700 feet long and will pull riders by rope and handle. The Sesitec system does all the work for you. The cable passes through four UNIT Parktech features offering an extra challenge for touring wakeboard professionals and the growing local scene.

Qualified instructors are able to guide and coach participants via a waterproof speaker attached to the safety helmet. Gear is available to rent at the Starting Dock for an add-on to your session, or guests can bring their own.

Owner, TJ Allen, and operator, Kale Troha, offer instructions for every guest. Each of the qualified trainers can guide beginners and first-timers on how to utilize the cable system to carve the water and even catch some air. They will also coach dedicated riders looking to grow their skill to the pro level.

Crowds gathering for live music on OWA's Island can now enjoy the mesmerizing talent on the water. Situated amid countless annual festivals and outdoor events, the newly opened Wake Park is a must-try giving OWA guests a new way to *get stoked*.

This new addition joins its sister park, the already popular Aqua Play by Union AquaParks, an inflatable obstacle course in Lake OWA. Thrill seekers must be at least six years old and able to swim in order to qualify for a session on the Wake Park or Aqua Play.

Downtown OWA is the destination for shopping, dining, and entertainment in Coastal Alabama. For more information on Gravity Island Watersports and to book a session, head to GravityIslandWatersports.com

###

About OWA: OWA (*oh-wah*) has become known as a world-class entertainment destination owned and operated by the Poarch Band of Creek Indians. The name OWA, which translates to "big water" in the Muscogee Creek language, was inspired by the 14-acre lake at the center of this unique development. OWA has the feel of a small Southern town that evolved through time with distinct districts, such as Downtown OWA and The Park at OWA, its amusement park. Check VisitOWA.com for full details and the latest events.
