RAPID RESPONSE TEAM

DISASTER STRIKES QUICKLY, SO DO WE!

We offer 24/7 emergency repair services and a one-hour rapid response time throughout the state of Florida for a seamless, no-hassle recovery process.

WATER MITIGATION

We take the immediate steps to extract water, inspect the property, provide dry out services and dehumidification, and then reconstruct the property to pre-loss condition.

MOLD REMOVAL

Our team follows an IICRC-certified process for indoor air quality and mold testing, step by step mold remediation, post clearance testing and safe reconstruction.

FIRE & SMOKE DAMAGE RESTORATION

From fire and smoke restoration to odor control and upholstery cleaning, we determine the type of clean up required to get your property fully functional as quickly as possible.

STORM DAMAGE REPAIR

Our 11 response centers around the state are equipped with high-demand, post storm emergency supplies that allow our team to provide immediate repairs to any type of storm damage.

BIOHAZARD CLEANUP

We are licensed and trained in using EPA-certified disinfectants to properly decontaminate surfaces and appropriately dispose of bio-hazard waste from any unsafe environment.

RECONSTRUCTION & REMODELING

As a full-service general contractor, we introduce our clients to a range of designs, appliances, cost saving features and an industry leading guarantee on all workmanship.

KITCHEN & BATH REMODELING

In addition to our emergency services and repair work, we remodel kitchens and baths for any budget. Our space optimizing designs will provide the kitchen or bath space of your dreams.
