

Friends and family-giving held at L&L Executive Adult Day Care on Wednesday, November 24, 2021. Because we are a new facility, it was our pleasure to honor our first clients and their families. We are so thankful that you chose to do business with us. Volunteer Appreciation was also observed during this Thanksgiving luncheon. Special Thanks to James Shiver, who delivers our catered meals every day, and Meshell Bergeron, who comes running to give a helping hand to ensure all our activities are successful and fun. The owners of LLEAD owe all of their success to the many people who are dedicated to sharing our beliefs of love and kindness with our clients. We are so grateful to the entire Warrington Community.
