

My name is David Mynett from Wounded Warrior Project. I am based out of our Jacksonville Office but regularly organize events for Wounded Warriors and their families in the Pensacola and surrounding areas. I very much enjoy visiting the Panhandle and the friendship and help I always receive.

Our team at WWP each year receives school supplies for our annual Back to School Backpack drive for school kids in the main areas we service in FL.

7/13/22 is the main back packing day at WWP HQ Jacksonville. From there we separate the packed supplies and to go to JAX, TPA, ORL and the Panhandle locations.

My plan is to bring up these supplies for the local school kids and host a fun event for the families where the back packs can be handed out the week of 7/18/22.

I was wondering if the Pensacola Chamber of Commerce and any local connections you have would like to donate school supplies for warriors kids. Any help much appreciated. I can either pick up the supplies personally in Pensacola or they can send to me at Wounded Warrior Project, Suite 300, 4899 Belfort Road, Jacksonville, FL 32259.

Please feel free to reach out if you have any further questions or need more information.

Very respectfully,
David
