POST-BLUES SUNSET BEACH CLEANUP TO BE HOSTED ON PENSACOLA BEACH

*Keep Pensacola Beautiful to host beach cleanup at Casino Beach on Monday,
July 11th at Sunset.*

JULY 11, 2022 – PENSACOLA, FLA. – Keep Pensacola Beautiful will be hosting a beach cleanup in conjunction with the popular Blue Angel Air Show at Pensacola Beach. Just this year, KPB with the support of volunteers has picked up over 8,000 lbs. of litter through our various cleanups across Escambia County.

"We want to help keep our beaches looking beautiful and we encourage beach goers to make sure that they leave only their footprints" says Sigrid Rehrig, Executive Director of Keep Pensacola Beautiful. "However, we know that litter inevitably gets left behind which is why we are calling on our community to come out to volunteer to help clean up after all the fun!"

Any weather and event updates can be found on the Post-Blues Sunset Beach Cleanup Facebook Event under Keep Pensacola Beautiful on Facebook.

For more information, please visit the Keep Pensacola Beautiful website, email volunteer@keeppensacolabeautiful.org, or call the office at 850-438-1178.

Keep Pensacola Beautiful is a 501(c)3 serving Escambia County for over 40 years and specializes in litter reduction, recycling education, and beautification projects in the community.
