

FOR IMMEDIATE RELEASE

Baptist Health Care Names Paul Brown Quality Analytics Manager

PENSACOLA, Fla. (July 12, 2022) – Paul Brown has been named quality analytics manager with Baptist Health Care.

Brown has served as a quality consultant for Baptist since 2019. In his new role with Baptist, Brown will lead the quality analytics team of analysts and consultants to identify, conduct and support formal improvement initiatives related to regulatory standards, policies, procedures and general process redesign.

Brown earned his bachelor's degree in information technology-network telecommunications and his master's in administration from the University of West Florida in Pensacola. He served as adjunct faculty there for seven years and holds a number of IT certifications.

Brown was a member of the U.S. Army Reserves 842nd Signal Company in Pensacola from 1983 to 1989. He underwent special training in tactical satellite/microwave systems at the U.S. Army Signal Center at Fort Gordon in Augusta, Georgia.
