Catalyst Healthcare Real Estate Named to Top 100 Best Companies List

PENSACOLA, FL – Catalyst Healthcare Real Estate (Catalyst), a full-service healthcare real estate investment firm, was recently named one of Florida's *Best Companies To Work For*. The annual *Best Companies To Work For In Florida* list featured in the August issue of *Florida Trend* magazine ranks 100 companies in small, medium, and large employer categories.

To participate, companies or government entities were required to have at least 15 workers in Florida and to be in operation for at least one year. Companies that chose to participate underwent an evaluation of their workplace policies, practices, philosophy, systems, and demographics. The process also included a survey to measure employee satisfaction. The combined scores determined the top companies and the final ranking.

"It is a huge accomplishment to be recognized as one of the Best Companies To Work For In Florida," said Chad Henderson, Founder & CEO of Catalyst. "Catalyst has an entrepreneurial culture that supports, elevates, promotes, and celebrates our employees. With 46 employees and five regional offices, we are proud of how far we have come and look forward to our future growth."

"Florida companies continue to lead, and lead by example! This impressive list of companies has not let adversity get in the way," says Florida Trend Publisher David Denor. "They continue to innovate and step outside the box with critical thinking to ensure the success of not only their internal employees but their clients as well. These inspirational and visionary companies provide a glimpse into what tomorrow's workplace and workforce will look like. Lessons learned from these industry pioneers span far and wide."

The Best Companies To Work For In Florida program is managed by Florida Trend and Workforce Research Group and is endorsed by the HR Florida State Council. Workforce Research Group managed the registration, survey and analysis and determined the final rankings.
