## PIECES ADRIFT ART SHOW & AUCTION

*An Award-Winning Exhibition Showcasing Our Community's Art...And Litter*

**SEPTEMBER 24, 2022 – PENSACOLA, FLA.** – Pieces Adrift Art Show and Auction takes an interactive approach to growing awareness around litter prevention in our waterways while benefiting a local community improvement nonprofit, Keep Pensacola Beautiful.

The 4th annual Pieces Adrift Art Show & Auction will take place at the Studer Community Institute in downtown Pensacola with submissions from residents all over Escambia County. The art--donated by the artists of all ages and backgrounds from students, amateurs, hobbyists, and professionals--will be auctioned to attendees looking for unique and beautiful pieces to add to their collections. Our gallery will display pieces made of at least 50% trash or litter. There will be drawing prizes from businesses across Pensacola, live music, heavy hors d'oeuvres, and a sustainable bar featuring KPB's Sustain-A-Bear cups. Live musical acts are provided by local musicians, Max and the Misfits.

"This event encourages everyone who attends to think about the products we use every day, and the impacts of improper handling of our trash on the environment, wildlife, and climate change. This wonderful event also raises funds that benefit Keep Pensacola Beautiful's ongoing programs and initiatives that support a cleaner and more beautiful community." says Krystal Brown, Keep Pensacola Beautiful's Education and Outreach Coordinator.

This event is friendly for all ages. We hope to see you there! For more information, please visit [keppensacolabeautiful.org](http://keppensacolabeautiful.org) or check out our Facebook page @KeepPensacolaBeautiful.
