MEDICAL CENTER CLINIC WELCOMES ROBERT MACNEAL, MD TO THE DERMATOLOGY & LASER CENTER

PENSACOLA, FL, September 1, 2022: Medical Center Clinic is pleased to announce the arrival of Robert MacNeal, MD, to The Dermatology and Laser Center.

Dr. MacNeal completed his undergraduate studies at Ursinus College in Collegeville, Pennsylvania. He went on to earn his medical degree from Temple University School of Medicine in Philadelphia, Pennsylvania, where he graduated with honors. He completed a residency in internal medicine and then worked as a hospitalist at Dartmouth Hitchcock Medical Center. He then went on to complete a residency in dermatology at Dartmouth. He received specialty training in Mohs surgery at the University of Iowa. He is certified by the Mohs College of Surgery and is double board-certified in both Dermatology and Mohs Surgery. He is a fellow of the American Academy of Dermatology.

The Dermatology & Laser Center is comprised of highly trained practitioners who specialize in complex medical, cosmetic, and surgical dermatology, including MOHS surgery. They provide treatments for a multitude of skin conditions including, acne, moles, warts, eczema, psoriasis, and rashes. The providers are specialty trained in the treatment of skin cancers including, basal cell carcinoma, squamous cell carcinoma, and melanoma. Dr. MacNeal will be working alongside board-certified dermatologists David Gaston, MD, Scott McMMartin, MD, Ashton Rountree, MD, and Kevin Welch, MD.

“The Dermatology and Laser Center is excited to welcome Robert MacNeal, MD, to our team, and pleased to be able to further dermatological care in the community of Pensacola with such a highly qualified medical professional,” states Mary Land, Practice Management.
