MEDICAL CENTER CLINIC WELCOMES RACQUEL HEDMAN, PA-C TO THE EYE INSTITUTE

PENSACOLA, FL, OCTOBER 31, 2022: Medical Center Clinic is pleased to announce the arrival of Racquel Hedman, PA-C, to the Eye Institute.

Racquel completed her Bachelors of Science in Biomedical Sciences at the University of South Florida in Tampa, FL where she graduated with honors. She went on to earn her Masters of Health Science in Physician Assistant Studies from Duke University in Durham, NC. Racquel is certified through the National Commission on Certification of Physician Assistants. She will be working under the direct supervision of board-certified ophthalmologist, Jennifer Murray, MD.

The Eye Institute at Medical Center Clinic is a premier center for the treatment of eye disease in the Gulf Coast region. This 20,000 square foot facility contains a fully-equipped surgery suite, laser center, and a complete ophthalmic diagnostic department. Innovative research and education enhance the quality of patient care and contribute to advances in the field of ophthalmology. The Eye Institute at Medical Center provides a range of services seldom available in a private setting. Our staff's expertise encompasses all ophthalmic surgical sub-specialties. Our ongoing mission, providing excellence in eye care, is fulfilled by incorporating a state-of-the-art facility with our expert team of caring ophthalmic surgical specialists.

"The Eye Institute is excited to welcome Racquel Hedman, PA-C, to our team, and pleased to be able to further ophthalmic care in the community of Pensacola with such a highly qualified medical professional," states Hope Cooper, Practice Management.

To schedule an appointment with the Eye Institute, or for more information about the services, please call 850.474.8436 or visit MCCEyeInstitute.com.
