About OWA Parks & Resort: Award-winning OWA Parks & Resort in Coastal Alabama is owned and operated by the Poarch Band of Creek Indians. OWA's name is derived from a Muscogee Creek word for "big water," and the tropical theme of the 520-acre property was inspired by the Gulf of Mexico, minutes away via the Foley Beach Express.

At the heart of OWA is Tropic Falls, which includes a ride-focused theme park, outdoor wave pool (currently under construction) and the region's largest indoor water park, covered by a convertible roof—now open. Just outside the ticketed areas is Downtown OWA. This pedestrian-only streetscape was inspired by Southern small towns and features numerous options for dining, shopping, and entertainment.
