

SUBS ARE MY LIFE

I opened my first Jon Smith shop in 1988 in Palm Beach County, FL with the single-minded commitment to serve the absolute highest-quality overstuffed, marinated grilled sirloin steak and real chicken breast subs. Jon Smith Subs prepares everything we serve in each store every day. Our sirloin steak and chicken breast are trimmed, sliced, seasoned, marinated, and grilled to order. Our wonderful employees will treat you to our total quality experience. And I will personally be in our stores every day looking out for you.
