## Medical Center Clinic Welcomes Jenna Roux, PA-C to the Eye Institute

**PENSACOLA, Fla. — Jan. 31, 2023** — Medical Center Clinic is pleased to announce the arrival of Jenna Roux, PA-C, to the Eye Institute.

Jenna is a nationally certified physician assistant (PA) through the National Commission on Certification of Physician Assistants. She earned a master's degree in medical sciences and physician assistant studies at Chapman University in Orange, California. She previously graduated with honors and earned a bachelor of science in health science and pre-physician assistant studies at Chapman University. Jenna brings with her over five years of experience in home and assisted care and two years of experience as a physician assistant. She will be working under the direct supervision of Jennifer Murray, MD, a board-certified ophthalmologist.

The Eye Institute at Medical Center Clinic is a premier center for the treatment of eye disease in the Gulf Coast region. This 20,000 square foot facility contains a fully equipped surgery suite, a laser center, and a complete ophthalmic diagnostic department. Innovative research and education enhance the quality of patient care and contribute to advances in the field of ophthalmology. The Eye Institute at Medical Center provides a range of services seldom available in a private setting. Our staff's expertise encompasses all ophthalmic surgical subspecialties. Our ongoing mission of providing excellence in eye care is fulfilled by incorporating a state-of-the-art facility with our expert team of caring ophthalmic surgical specialists.

"The Eye Institute is excited to welcome Jenna Roux, PA-C, to our team and pleased to be able to further ophthalmic care in the community of Pensacola with such a highly qualified medical professional," said Meredith Vincenza, practice management.
