CODE NINJAS®

Kids have fun, parents see results®

Code Ninjas, the world's largest and fastest growing kids coding franchise, is opening officially in Pensacola! Code Ninjas is an educational program that uses popular video games, to teach kids how to code, build video games, and have fun. Participants will develop problem-solving, critical thinking, and STEM skills in a fun, safe, and inspiring environment.

Code Ninjas offer programs for kids aged 5-14 in coding, STEM and robotics. They offer programs year-round after school and on the weekends as well as camps and special events such as Parent's Night Out and Birthday Parties. Regular sessions will begin March 20th, but the center will be open for tours (a FREE game building session) beginning March 3rd. Game building sessions are by appointment only and can be scheduled by calling the center at 850-889-8636 or booking online at www.codeninjas.com/fl-pensacola .

Open House events are scheduled March 5 1-5PM and March 11 9-1pm. Homeschool families are encouraged to attend March 6th at 6pm.

Code Ninjas Pensacola is located at 3 W. Nine Mile Rd #5 Pensacola, FL 32534
