Valerie's House is a sanctuary where children and families can work through the loss of a loved one together and go on to live fulfilling lives.

We are so excited about our new home! We are looking for help with making our house cozy, warm, functional, and inviting for our children and families.

Learn more about Valerie's House and how you can become a part of our mission.

Please contact Crista at crista@valeriesthouse.org to get involved or schedule a tour.
