JADIA FORD AND KYLE DANKS FEATURED IN NEW EXHIBIT

"The Elementals" is on view now at Easy Going Gallery

APRIL 1ST, 2023 - PENSACOLA, FL. -

Easy Going Gallery is currently showcasing the art Jadia Ford and Kyle Danks in a new exhibit "The Elementals" running through the month of April. Join us from 5 - 9 pm on Saturday, April 15th for a chance to meet the artists at the reception. Feel free to tune in for the artist talk LIVE on Instagram during the event.

"The Elementals" focuses on the four elements: water, earth, fire, and air. Most pieces consist of recycled materials, paying homage to the much needed sustainability they promote. Taking close note at how each element is unique, while simultaneously being connected to each other, Kyle and Jadia portray the symbolic interactionism between the elements. Their goal is to display how each aspect of nature is tethered to the other, much like their viewpoint on how connected people truly are.
