

# How Do We Make Our Neighborhood Streets Safer?

---

Walkability and street safety expert Dan Burden will be speaking at the **Brownsville Community Center on Monday, April 17 6 - 7:30 P.M.**

Research shows that Florida is the 2nd deadliest state in the country for pedestrians. Instead of dividing neighborhoods, what if we designed our streets with pedestrians and bikers in mind? Could we have safer, healthier and happier citizens?

Come learn at this free and open event. Fill out a survey afterwards to offer your input. Register online at <https://bit.ly/Dan-Burden-CivicCon> or scan the QR code.
