

East Johnson Avenue Closures Begin Tuesday, May 30

East Johnson Avenue between Caminitti Lane and Tippin Avenue will experience road closures with lane detours Tuesday, May 30. During this time, crews will be working to connect an existing sewer manhole along East Johnson Avenue. The road is expected to be re-opened by Saturday, June 3.

Traffic heading eastbound on East Johnson Avenue will detour south onto Caminitti Lane reaching Olive Road, then detouring north on Tippin Avenue. Traffic heading west on East Johnson Avenue will have the option to continue west or turn north onto Ely Road. Ely Road traffic heading south will only have the option to turn west.

If other roadway closures are necessary or work is delayed, another notice will be issued.

A formal Maintenance of Traffic Plan was submitted to and approved by the Escambia County Transportation and Traffic Operations Division for approval on May 17, 2023. Eric Patrick, B&W Inc., was responsible for the submittal of the approved MOT Plan and has a valid certificate for Advanced MOT training.
