

Escambia County IT to Conduct Equipment Replacements May 25

Published May 11, 2023

On Thursday, May 25, between 12-3 a.m., Escambia County's Information Technology department will conduct upgrades to the county's core routers and data center switches.

During the replacement process, all county-owned websites,

including [MyEscambia.com](https://www.myescambia.com), [MyWFPL.com](https://www.mywfpl.com), [GoECA T.com](https://www.goeca.com) and [ESCPA.org](https://www.escpa.org) will be unavailable to the public.

For questions regarding the maintenance, please contact the IT help desk at 850-595-4990.
