Gallery Night is going "Prismatic!"

Join Us For Our First LGBTQ+ Community Celebration

PENSACOLA, Fla. (May 19th, 2023) — On Friday, May 19th, from 5 – 9 pm, Gallery Night Pensacola is celebrating all colors of the spectrum with "Prismatic!" our first LGBTQ+ Community Celebration. Join us and share in the festivities as we are highlighting a number of local LGBTQ+ organizations and their Allies up and down downtown Palafox Street.

Gallery Night is an all-ages, community, arts, and cultural event on the third Friday of each month from 5 – 9 pm. Our unique monthly themes set the tone for each event's art, performers, musical performance stages, and activities that are sure to please.

Gallery Night's Featured Artist for May is Kyle Miller. Aware they are composed of quite a mix of biographical identifiers, this month's Featured Artist is ceramist Kyle Miller. Believing art is a form of communication, their combination of biological identifiers prompts the personal question- is there an intersectional space where these identities can peacefully coexist, or have these vastly different experiences just created a non-homogenous amalgamation of a person?

Interest piqued yet? Stop by the Featured Artist Tent at the intersection of Romana & Palafox Streets to learn more about Miller and their ceramic work.

This month, Gallery Night's Garden Street Main Stage welcomes local singer-songwriters Hane Skot, Greg Bond, and Faithe Franklin. If you like music, you are sure to enjoy the display of colorful talent through poetic lyrics and acoustic jams from 6 - 8 pm!

Gallery Night's extensive art zones will be hosting over 60 local artisans along Palafox Street at this month's event. Don't miss our newest addition - Gallery Night's Market Zone, located at Government Street across from Plaza Ferdinand. Event patrons have more shopping opportunities when visiting our artists' open-air tents along the streetside. Maybe you will find that unique treasure you have been searching for.

Find returning event features: Legal Graffiti, sponsored by Zarzaur Law at Romana and Palafox, and venture a bit more south to the Youth Music Project Stage, sponsored by Stevenson Klotz, at the corner of Palafox and Government.

Participating downtown bars and restaurants are open and serving guests. Additionally, local shops and galleries will remain open late, providing the opportunity to shop for additional unique gifts and wares.

Questions during the event? Stop by Gallery Night's Information Booth located near the intersection of Palafox & Romana, and sponsored by Escape Wellness Spa & Stevenson Klotz.

Gallery Night Pensacola's Board of Directors encourages mask usage for those who are not vaccinated or are at high health risk.

Those interested can find more information and updates on artists, performers, special events, sponsors, and more on Gallery Night's social media pages and website (gallerynightpensacola.org). GNP's website offers an interactive event map, artist list, performance schedule, and more.
