

# UWF WANTS TO HELP YOU BECOME A NURSE

*You can become an RN with a masters degree in less than two years. Now accepting applications for Fall 2023!*

## What You Will Learn

- ✓ How to deliver high-quality patient care to diverse populations in a variety of clinical settings
- ✓ Clinically immersive courses that train you in specialties such as surgical, pediatrics, mental health, and more

## Why Choose UWF

As the only direct entry nursing master's program in Northwest Florida, the UWF School of Nursing's new program is for non-nursing college graduates who wish to become registered nurses. Our experienced faculty will train you to enter the nursing profession prepared to meet the demands of an evolving healthcare system. With small class sizes, you will work closely alongside faculty who will prepare you to meet patient needs.

***All classes are available at both the UWF Pensacola Main Campus and Fort Walton Beach Emerald Coast Campus.***
