October 6, 2023

Pensacola, Fla.— LandrumHR announced today that it has been named by Florida Trend as one of the 350 largest companies in Florida for the 6th straight year.

“We are honored to be included on Florida Trend’s list once again,” said Britt Landrum, III, President and CEO of LandrumHR. “This award is a testament to our exceptional team and our dedication to our clients.”

“Being privately owned allows us to prioritize our clients’ needs and stay ahead of industry trends,” he added. “Our commitment to our clients’ success allows us to consistently exceed their expectations.”

The human resources function is becoming increasingly more complex. Companies are turning to LandrumHR because of the more than 50 years they have in the space, providing a full scope of HR solutions that allow clients to focus on the growth of their businesses.

The company’s robust service offerings include PEO (Professional Employer Organization), workforce solutions and staffing, as well as specialized recruiting services for HR and marketing roles.

“Our goal remains to make the business of people easier as we positively impact the business community in the areas we serve,” said Landrum.

To qualify for Florida Trend’s private companies list, a company must be headquartered in Florida and privately held. The list is divided into the 150 Biggest Public Companies and the 200 Biggest Private Companies.
