Community Outreach Day

PENSACOLA, FL – The office of Florida House Representative Michelle Salzman, in partnership with local, state, and federal officials will host in-person Mobile Office Hours to assist constituents with State and Federal casework issues. These office hours offer constituents who do not live close to one of the district offices a more convenient way to receive State, Federal, and County casework assistance.

In addition to elected offices, the event will host several personnel from the Pensacola VA Clinic who will be able to provide health checkups to veterans, assist with VA healthcare questions and enrollment, and recruit nurses and resident assistants. They will be joined by several non-profits offering services to children, veterans, and residents of Escambia county.

WHO: District Staff from the offices of: Representative Salzman, Congressman Gaetz, Senator Scott, Senator Rubio, Commissioner Jeff Bergosh, Commissioner Mike Kohler, Tax Collector Scott Lunsford, School Board Member Kevin Adams, ECUA personnel, Agency personnel from the Pensacola VA Clinic, as well as many community partners and non-profits. Refreshments will be provided by Coffee Guy.

WHAT: Community Outreach Day

WHEN: November 3, 2023, 1PM to 3PM

WHERE: Pensacola Fairgrounds, 6655 Mobile Hwy, Pensacola, FL 32526

"I am excited to announce that this constituent outreach day is being hosted as a community outreach event. Bringing public and private resources together creates a more impactful experience for my constituents and the community."

- Representative Michelle Salzman
