DIGITAL BOARDWALK UNVEILS A NEW WEBSITE, REFLECTING WHO THEY ARE TODAY

Pensacola, FL (Jan. 9, 2024) - Digital Boardwalk, a trailblazer in managed I.T. services, is excited to announce the unveiling of its new website located at www.digitalboardwalk.com. This marks a pivotal moment for the company as it takes a deliberate step to update its online presence, aligning it with the dynamic and forward-thinking organization that Digital Boardwalk represents today.

Tim Shoop, CEO of Digital Boardwalk, expressed the significance of this initiative, stating, "Our commitment to continuous growth and improvement is unwavering. We wanted to update our online presence to represent who we are as a company today. The new website, including the innovative I.T. Maturity Score Quiz, is a testament to this commitment."

Key Highlights of Digital Boardwalk's Value Proposition:

1. **Strategic I.T. Partnership:** Digital Boardwalk continues to be a trusted partner for businesses, offering strategic insights and expert guidance to navigate the complexities of modern technology.
2. **Comprehensive Support:** With a dedicated team of certified technology specialists, Digital Boardwalk provides award-winning support, ensuring reliability, security, and peace of mind for its clients.
3. **Tailored Solutions:** The company's commitment to innovation is reflected in its custom-engineered solutions, addressing the unique needs and objectives of each organization it serves.

Unlocking Potential with the I.T. Maturity Score Quiz

Explore hidden opportunities within your I.T. infrastructure through the I.T. Maturity Score Quiz—an innovative tool by Digital Boardwalk. Whether taking the guided quiz or delving into detailed information, businesses can uncover areas for improvement and strengthen their technological foundation.

Discover the Redesigned Digital Boardwalk Website

Experience the enhanced user interface and valuable resources on Digital Boardwalk's newly unveiled website. The update reflects the company's operational maturity and showcases its expertise in areas such as CMMC and managed I.T. services.

About Digital Boardwalk:

Digital Boardwalk is one of the most awarded and innovative managed I.T. services providers (MSP) in the country. Headquartered in Pensacola, Florida, and servicing customers throughout the entire United States, we help small and mid-market companies achieve peace of mind regarding their technology and cybersecurity. With a truly groundbreaking approach to managed services that leverages custom-developed artificial intelligence, we are able to forge fully managed or co-managed I.T. relationships with organizations, delivering an enterprise level

of operational maturity and breadth of capability at a fraction of the cost of an entirely in-house team.
