

Our Strong and Connected Brands

ManpowerGroup is a comprehensive family of brands that address the complex workforce challenges organizations face today, from contingent and permanent staffing to talent management, outsourcing, and talent development.

Manpower is a global leader in contingent staffing and permanent recruitment, providing strategic and operational flexibility to organizations and connecting people to meaningful work while helping them develop skills to stay employable.

Drilling down further, we have three specializations within **Manpower**:

Experis
ManpowerGroup

Experis is a global leader in information technology (IT) professional resourcing and project services specializing in:

Business Transformation

Enterprise Applications

Cloud & Infrastructure

Digital Workspace

Cyber Security

Talent Solutions
ManpowerGroup

Talent Solutions features full life cycle solutions to help organizations transform the way they source, manage and develop their workforces.

Recruitment Process Outsourcing services for large-scale recruiting and workforce-intensive initiatives, so that you always have the skilled talent you need.

Working to develop, deploy and enable an integrated approach to analyzing and managing your contingent talent around the world.

We help individuals thrive and organizations grow with assessment, coaching, outplacement, career management and leader development to accelerate performance and future-proof your talent.

Jefferson Wells is a professional services firm delivering solutions in **Finance & Accounting, Internal Audit, Risk & Compliance, and Tax**. We provide project consulting, integrated resourcing, and executive search.
