United Way of West Florida to Host its 3rd Annual Battle of the Barristers Fundraiser

Pensacola, FL – April 17, 2024

The United Way of West Florida invites law groups to compete in our 3rd Annual Battle of the Barristers Fundraiser on May 22, 2024, from 5:00 p.m. to 7:00 p.m. at Seville Quarter.

Our quiz master will test these legal eagles on their knowledge with fun and unique trivia questions during this fundraiser for United Way of West Florida. This event is an opportunity for attorneys and law firms to display their knowledge outside of the courtroom over a little friendly competition.

The winning team will receive the United Way of West Florida traveling trophy for the year, and all the bragging rights that come with it. The last two years' winners were Clark Partington Attorneys at Law and Moorhead Law Group. Prizes will be awarded to 2nd, 3rd, and other miscellaneous categories, such as most spirited.

Team registration is \$600 per team with teams will consisting of four members. The price includes food and drink tickets.

Registration closes May 13, 2024. Please visit www.uwwf.org/bob to learn more about the event or to sign up for your team. Event sanctions can also be purchased at this site to hinder your opponents and advance your team.
