## **WARREN AVERETT RECOGNIZED AS ONE OF VAULT'S 2025 TOP 50 MOST PRESTIGIOUS ACCOUNTING FIRMS**

Birmingham, AL. (April 17, 2024) — [Warren Averett CPAs and Advisors](#) was named a Most Prestigious Accounting Firm by Vault, a trusted authority in career intelligence resources for professionals and students. This is the third time that Warren Averett has been named to this list.

The 2025 Top 50 Most Prestigious Accounting Firms list was determined through a survey filled out by accounting professionals from late 2023 into early 2024.

The survey asked about life at the survey participant's current or former firm, and they were also asked to give firms a prestige rating. The accounting professionals only ranked firms they were familiar with, and they were not allowed to rate their own (or former) employer to keep things fair.

Using that information, Vault averaged the scores and ranked them in order.

"It is an honor to be one of Vault's 2025 Top 50 Most Prestigious Accounting Firms," said Mary Elliott, Chief Executive Officer of Warren Averett. "Our Warren Averett team of dedicated and incredible professionals takes pride in the services and work they do for the firm's clients and in their local communities. This recognition from their accounting peers is proof that all their efforts have not gone unnoticed. Congratulations to our team members on this accomplishment!"
