Valerie's House Pensacola Celebrates 3 Years!

Since launching in April 2021, we have now served over 330 kids and their families in our community! Your kindness has helped us grow and provide essential support to grieving children and their families.

Come celebrate your impact with an Open House to meet our staff and volunteers, tour our space, and admire our beautiful new backyard, a gift from the Leadership Pensacola Class of 2024. We hope to see you June 27!

With heartfelt thanks,

The Valerie's House Pensacola Family
