

**NARI MINNESOTA
2023 AWARDS
RESIDENTIAL KITCHEN**

BEHIND THE REMODEL

The clients were happy with their home and space but felt the outdated look needed to be updated. Though they were content with the functionality and layout of their kitchen, they wanted to refresh the entire area while keeping costs to a minimum.

NARI

RESIDENTIAL KITCHEN

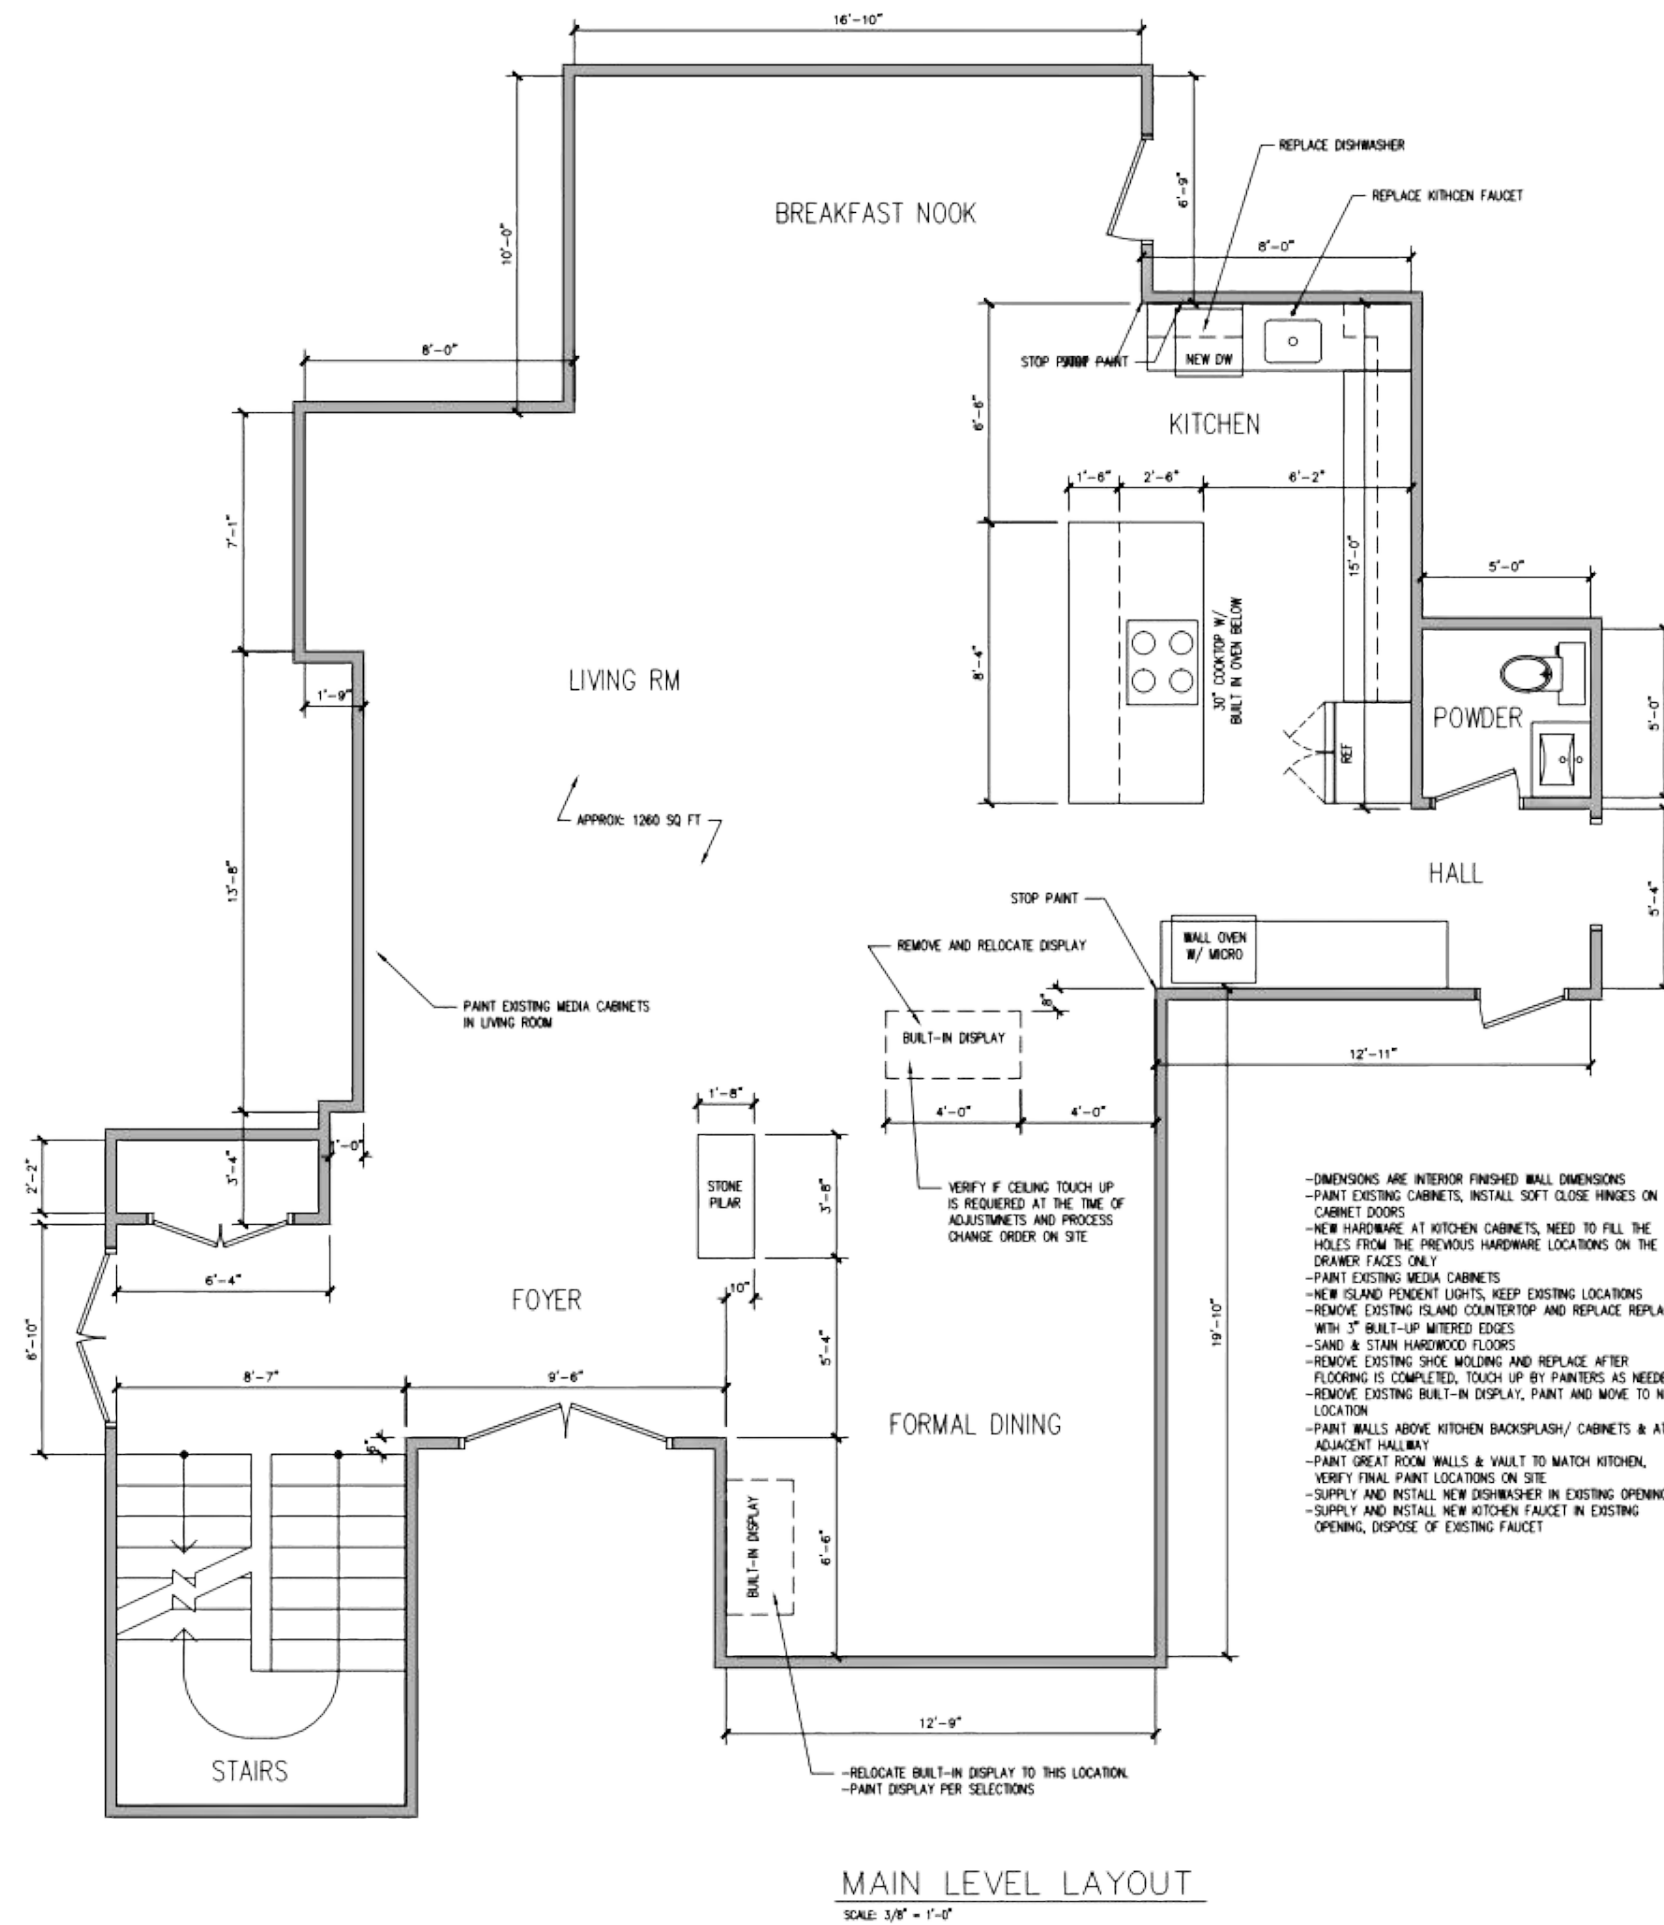

MEETING CLIENT NEEDS

- All new quartz countertops
- New tile backsplash
- Repurposed existing cabinet boxes using 3-coat enamel paint
- Removed and replaced cabinet doors and drawer fronts to incorporate soft close hinges and new hardware
- Adjust existing cabinets to accommodate new appliance package
- Replaced all plumbing & light fixtures
- Resurfaced existing wood floors
- Removed built-in display cabinet to achieve a more open flow to the dining room
- Updated with a fresh warm paint color

BEFORE & AFTER

PROJECT CHALLENGES, CRAFTSMANSHIP, AND INNOVATIVE METHODS & USES

- A challenge was to retrofit new appliances into existing cabinetry.
- Adding in soft close door hinges and drawer glides while salvaging existing cabinetry.
- Removing the existing display cabinet and relocating light fixtures while doing minimal damage to the existing ceiling.
- Created additional seating area at island using a hidden support system for new countertop.
