TIME COMMITMENT

All Board Members are expected to attend at least four meetings during the year and serve as a liaison to at least one Committee. The Board meets once face-to-face and at least three times by video conference. The face-to-face meetings take place as follows:

- ASIS&T Annual Meeting: This is a two-day meeting for Members-at-Large and a 2.5 day meeting for the Executive Committee which includes the Treasurer.
- Video Conferences are scheduled for at least two hours quarterly, with the mid-year call being of a strategic nature and therefore longer or, potentially, held over multiple days.

The video conference meetings take place in roughly February, May, and August (depending on the timing of the other meetings) and are 2-3 hours in duration depending on the agenda. Given the challenges of finding a time that can accommodate the time zones of an international Board, often these meetings take place very early in the morning or late in the evening for some participants.

The President spends considerably time on ASIS&T matters. The President liaises regularly with the ASIS&T Executive Director, typically meeting by video conference one every 1-2 weeks. The President may choose to establish an advisory group to work on an issue of particular interest to them. There will be opportunities throughout the year to represent ASIS&T at meetings or gatherings of other organizations. This includes the ALA; ALISE; the iConference; IFLA; regional and chapter meetings; and other places where ASIS&T members and potential members may gather. The extent to which the President wishes to undertake these activities will depend on their ability to commit the time and the availability of funding to support it. The President plays a significant role at the ASIS&T Annual Meeting, serving as the convener and host of the meeting, moderating panels, and giving awards. The President serves on all committees ex officio and may attend any committee meetings as the schedule allows. The President is Chair of the Executive Committee which meets eleven times per year via video conference and one time per year face-to-face in conjunction with the scheduled Board meetings. Each of these meetings is roughly 90 minutes.

FINANCIAL CONSIDERATIONS

ASIST Directors may request reimbursement of expenses related to attending meetings of the Board of Directors.

Expenses will be reimbursed on a sliding scale based on the distance traveled by the Board member to attend the meeting.

Distance Travelled	Reimbursement Cap
6000+ Miles	\$2,200
4,000 – 6,000 Miles	\$1,800
2,500 – 4,000 Miles	\$1,400
Up to 2,500 Miles	\$1,000

Eligible expenses include train / airfare, ground transportation, parking, up to 3 hotel room nights (variable by term start and end date—see below), and meals in transit.

Board members taking office after the Annual Meeting are not required to attend the Wednesday Board Meeting in person but may attend via video conference. They are not eligible to receive travel reimbursement as outlined above. However, if a new Director does attend the Board Meeting following the Annual Meeting, one night's hotel will be reimbursed.

Board members leaving office after the Annual Meeting are not required to attend the Wednesday meeting and may claim the reimbursement cap less one room night + taxes and fees (based on the prevailing rate at the conference hotel).

The President will also receive reimbursement of all expenses relating to their attendance at meetings in which they are representing ASIS&T in an official capacity, at the invitation of the host or the request of the Board. There will be an annual budget for such travel determined in the Spring of the year the incumbent serves as President-Elect.
