CELEBRATING 25 YEARS IN VERMILLION

BUILDING THE
FUTURE

GREAT FUTURES START HERE AT BOYS & GIRLS CLUB OF VERMILLION

At Boys & Girls Club of Vermillion, every child who walks through our doors begins a journey towards confidence, connection, and growth. Parents can enroll their children any time throughout the year. The Club offers No School Days and most Snow Days programming, giving kids a safe, fun, and engaging place to learn, play, and grow, no matter the season. At Boys & Girls club of Vermillion, kids discover who they are and what they can achieve with the help of caring mentors who believe every child deserves a **great future**.

Each day, youth explore new interests through the Art Studio, Culinary Creations, Health & Well-being, Power Hour, STEM, and Tutor Club, programs that blend learning with fun.

Our **Academy Program** (JK–2nd grade) builds strong early foundations in literacy and social-emotional skills, while our **Traditional Program** (3rd–12th grade) empowers members to lead, create, and give back. Through our **Diversion Program**, we partner with community organizations to help youth make positive choices and stay on track toward success.

More than 300 kids and youth have found belonging, mentorship, and purpose at the Vermillion Club this year. They find purpose and belonging through teen lead programs such as Life & Workforce Readiness and Teen Court.

Behind every milestone are the supportive relationships that define **our mission**: *“To inspire and enable all young people, especially those who need us most, to reach their full potential as productive, caring, and responsible citizens.”*

WELCOME FROM **The Mayor**

As mayor of Vermillion, I am honored to welcome you to our city! Vermillion is a small community on the rise, renowned for its friendly people, historical significance, beautiful location and area attractions. Whether you're spending time with friends and family, attending a conference or an event, moving here or just passing through, we're sure you'll find Vermillion a unique and exciting town.

Vermillion abounds with parades, festivals, sporting events and historic celebrations. From the Shakespeare Festival to the Clay County Fair and Ribs, Rods, and Rock 'N Roll, to our very own Thursdays on the Platz summer music series, there is never a shortage of things to do. If you like history, visit the National Music Museum, the W.H. Over State Museum and the Austin-Whittemore House. Enjoy local art at the Oscar Howe Gallery, the First Dakota National Bank Coyote Gallery, or the University Galleries, or take a stroll through our historic downtown to view our murals and sculpture walk. You can also enjoy Vermillion's outdoors by picnicking at Clay County Park or Cotton Park, hiking Spirit Mound, swimming at Prentiss Plunge, golfing at The Bluffs, kayaking the Missouri National Recreational River, or playing at our brand-new pickleball and tennis complex at Cotton Park.

The University of South Dakota has called Vermillion home since 1862. The university brings culture, recreation, entertainment, diversity, business and service opportunities that are unparalleled in a community of our size. Take a tour of campus to see everything they have to offer. It is also the home of Division I Coyote Athletics – so if you are a fan of collegiate sports, catch a game at the newly renovated Dakota Dome or the state-of-the-art Sanford Coyote Sports Center.

Vermillion boasts a variety of restaurants to suit any taste, as well as charming and unique small businesses and retail opportunities. The beating heart of Vermillion is our historic downtown, which recently received a new facelift with widened sidewalks and added greenery. In Vermillion, you can grab a coffee, buy gifts and clothing, go to dinner, and see a movie all within a two-block radius. When you're done downtown, don't forget to explore the Cherry Street area, where you can grocery shop, fuel up or check out a home with one of our local realtors.

Our community is experiencing exciting growth, including new housing development to support families, young professionals and retirees who choose to make Vermillion their home. These projects reflect our commitment to meeting future needs while maintaining the welcoming, close-knit character that defines our city.

We are dedicated to upholding an outstanding quality of life. We look forward to your visit, and I guarantee you'll agree that Vermillion is a great place to play, stay, live, work and raise a family. Welcome to Vermillion!

Mayor Jon Cole

THE GREAT OUTDOORS

HIKING

In town, check out the Vermillion River Trail, which follows the Vermillion River, passes through Cotton Park, and continues via an underpass for a final rail-with-trail section. Looking to explore the outer reaches of Vermillion? Head north on Highway 19 to hike Spirit Mound for a stunning view of the prairie all around!

BOATING, CANOEING & KAYAKING

The Missouri River is only a 15-minute drive from Vermillion and is a great place to get out on the water. Head down to Clay County Park, where you'll find an excellent spot to launch your watercraft. The currents are quite strong, so wear your safety gear!

SNOWSHOEING

Boost your winter workout and build up your endurance throughout the winter by snowshoeing! Head down near the Missouri and Vermillion Rivers to find beautiful trails through the nearby forests.

FISHING

There are more than 175 fishing lakes in our area of the state. The best part? The South Dakota fishing season never closes. Check out fishing areas at GFP.SD.Gov/Fishing-Areas.

HUNTING

South Dakota is renowned worldwide for its pheasant hunting, and our close proximity to the Missouri and Vermillion Rivers attracts a diverse collection of wildlife. Check out the South Dakota Game, Fish & Parks website for key season dates.

GOLFING

Tee off with stunning views at The Bluffs Golf Course, an 18-hole championship course set atop the scenic Missouri River bluffs. This beautifully designed course offers a rewarding experience for golfers of every skill level. After your round, unwind at the full-service clubhouse for the perfect 19th hole.

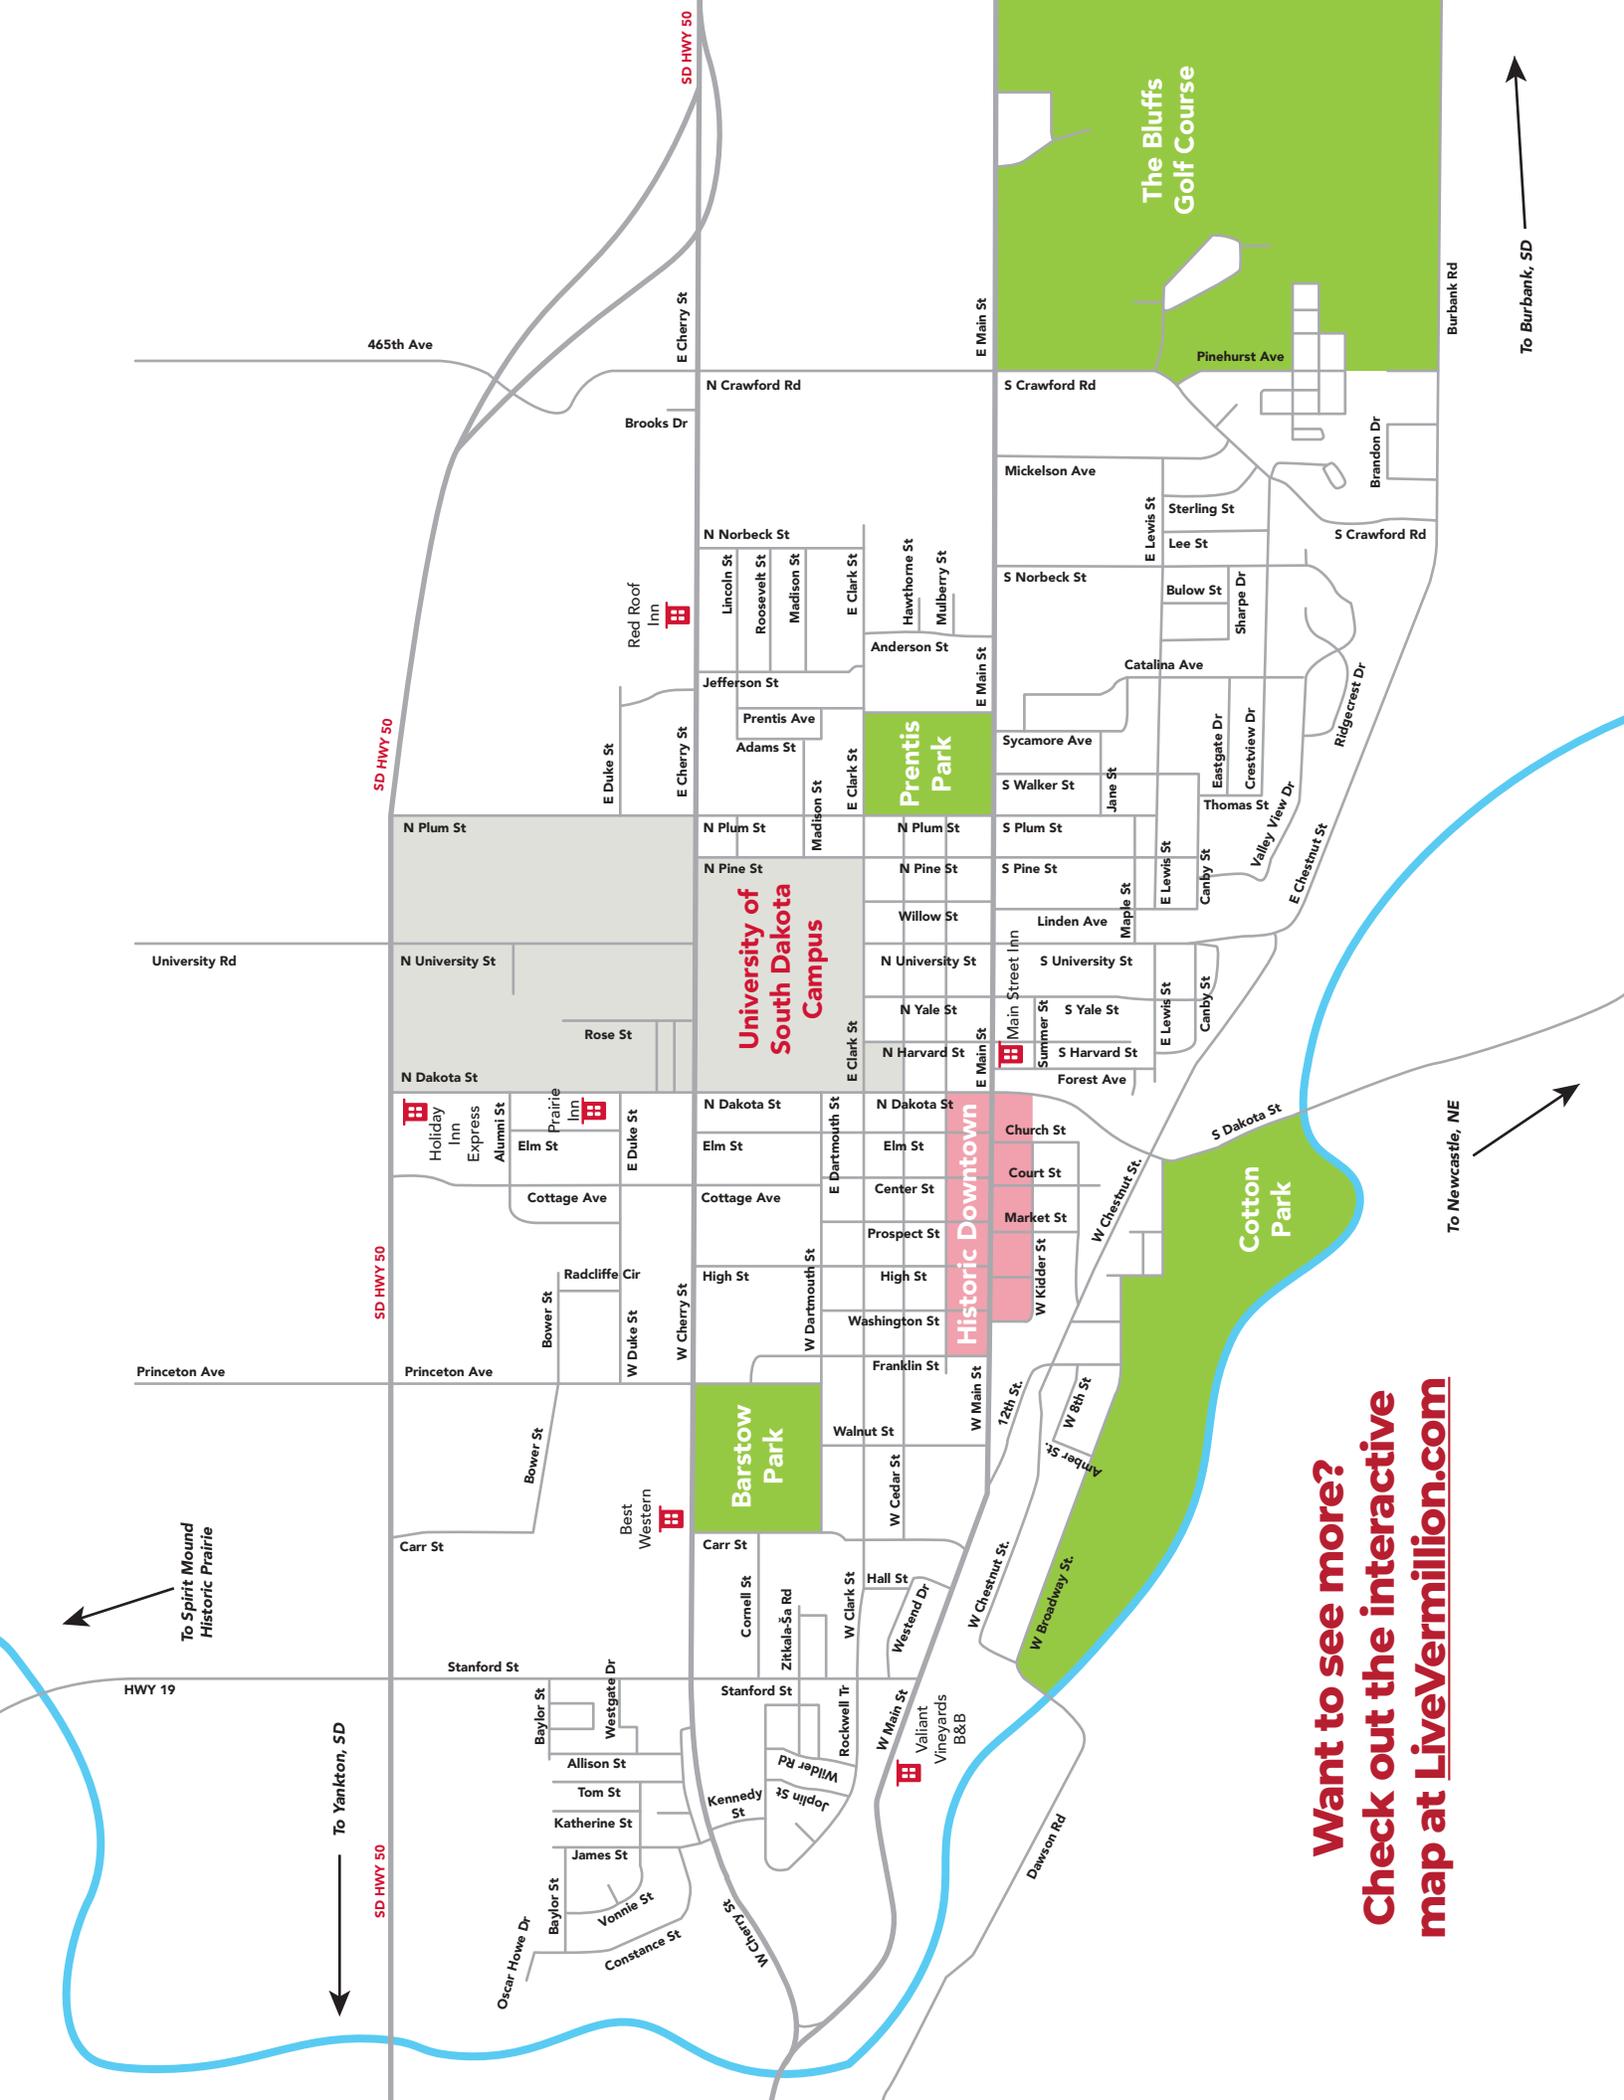

DISC GOLFING

Head down to Barstow Park on Cherry Street to enjoy the 10-basket course. You can also play a round at Prentis Park on Clark Street (also 10 baskets) and enjoy time outside with friends and family.

PICKLEBALL & TENNIS

Serve up some fun at the new Cotton Park Courts, featuring well-maintained spaces for both pickleball and tennis. These courts are perfect for friendly matches, casual play and community pick-up games. When winter arrives, the action doesn't stop – players can head indoors at the Armory to keep the games going year-round. Whether you're a seasoned competitor or trying something new, Vermillion offers the perfect place to play!
