

UNA Slack Community Code of Conduct

Utah Nonprofits Association Slack Community is intended to be a welcoming and inclusive space for everyone in the nonprofit community – inclusive of all gender identities, sexual orientations, physical abilities and appearances, and beliefs. This Code of Conduct is written to uphold that commitment. This space is regularly moderated. If you are found in violation of the following guidelines, you will be warned and potentially removed. All members of Utah Nonprofits Association Slack Community agree to the following:

1. To engage in professional and respectful dialogue. This means no discriminatory, insulting, or vulgar behavior. Harassment includes, but is not limited to; deliberate intimidation, disruption of conversations, personal attacks, insults, or the use of sexual or discriminatory imagery, comments, or jokes. We reserve the right to delete any posts that contain any of the above, as well as any posts containing profanity or racial slurs.
2. To not share out any information shared on this platform without the consent of the individual. We want this space to be one in which everyone feels free to ask questions without fear of judgement. This means not taking photos of messages or sharing information shared in this space with the intent to embarrass or draw attention to a fellow member of the community. This is a space for support and collaboration.
3. To not sell or solicit. This is a community space and not one to market your organization or product. If you have a learning event or training opportunity, please post it to UNA Nonprofit Community Calendar.
4. To take care of each other.
