2023 Building Industry Design Awards Nominations Open
Prestigious Awards Celebrate Outstanding Design & Construction Projects

HONOLULU (July 11, 2023) – BIA Hawaii is pleased to announce the 2023 Building Industry Design & Construction Awards (BIDCA) competition is open for nominations. For over 35 years, BIA has conducted a competition featuring the best in remodeling and new construction projects statewide. BIDCA is one of the most prestigious competitions in the state.

The esteemed awards recognize achievements of our industry professionals. Categories represent a cross section of the building and construction spectrum. Judging is based on creativity, use of materials, craftsmanship, functionality, and design principles. Past design winners have incorporated the latest technologies and products on the market today. Categories range from sustainable living and luxurious outdoor spaces to commercial and retail spaces. The competition inspires the exciting possibilities in our industry.

“The 2023 BIDCA Awards honor outstanding building and construction projects in our industry. The competition includes several design categories including the **Best in Hawaii Living** award highlighting projects which exemplify Hawaiian values and incorporate Hawaii design and living, featuring the design qualities unique to the Hawaii environment,” said Jess Leorna, BIA Hawaii CEO. “The building industry remains strong in our commitment to innovate and create projects that reflect amazing architecture and design.”

The BIDCA awards honor the professionals who build our communities with dedication, perseverance, and creativity. For more information and to apply visit:
