ON-TRACK EDUCATION

The Building Industry Association of Hawaii's Construction Training Center is a state-of-the-art facility located in Waipahu.

Courses are offered throughout the year and are specifically created to address the needs of building professionals.

We can help you:

- Avoid the cost of unnecessary employee turnover
- Train new staff
- Save time, money, and customers
- Understand and stay up to date with the latest training requirements in the industry
- Stand apart and be recognized in a competitive industry

WE UNDERSTAND YOU

The Building Industry Association of Hawaii is a not-for-profit trade association comprised of professionals from all over Hawaii ranging from developers, builders, and contractors to suppliers, real estate professionals and finance specialists.

We understand you because we ARE you. BIA-Hawaii understands what's needed to succeed in the industry and that your time is precious.

It's simple, you choose the track that best suits yours and your employees needs and we'll do the rest.

We will organize your schedule, take care of registration, send reminders and issue your certificates upon completion.
