# MONTHLY UPDATE

May 2023

## *In Case You Missed It*

Bob Sagendorf, Corporate Safety Director at Eii, Inc. instructed 36 CIAP Student Interns at the OSHA 30 course hosted at the ACCNJ offices in Edison.

These bright students made quality connections with one another and will carry the safety skills learned the past week into their careers as they start their internships this summer.

A special thank you to Bob Sagendorf for providing the information in an enjoyable way!

Safety First. No Excuses.

Thank you to our members around the State who participated in Safety Day 2023! Seeing the emphasis our members put on safety on their jobsites on Safety Day and every day makes us proud and grateful!
