WELCOME TO

Grove Et Grand Lake

Rich in history and heritage, Grove is a laid-back lakeside community set in the rolling foothills of the Ozark Mountains in Oklahoma's Green Country. Whether planning a vacation or relocation, Grove & Grand Lake will surpass your expectations.

Grove is more than just a great place to visit – it is a caring and friendly community that offers its residents an unparalleled lifestyle. Residents and visitors alike enjoy excellent fishing and water sports on one of the largest lakes in the country. The views are spectacular – especially the colorful sunsets – and the golf is top notch.

Spring brings pelicans, dogwoods, and perfect temperatures to explore the colorful rolling foothills of the area. You can head to the lake for the perfect summer setting for long days on the water, viewing magnificent sunsets from the back of a slow cruising boat enhanced by clear blue skies, clean air and warm temperatures. Fall brings brilliant Ozark foliage colors of crimson, gold and burgundy, brisk morning air, and temperate weather. Later the occasional snows of winter add up to LIVING THE GRAND LIFE in Grove.

Need more information? Call us at (918) 786-9079 or visit us online at www.groveok.org.

ABOUT THE PHOTOGRAPHER

RC Livesay has more than 15 years of experience shooting around Grand Lake. His photos have been featured on CNN news and local TV shows. Framed or canvas images of Mr. Livesay's work can be found in many local businesses and on the walls of many of Grand Lake's fine lakefront homes. He is one of the most popular professional photographers in the region and his work includes nature, wildlife, real estate, photo books, events, seniors, weddings, receptions, businesses, and drone videography and photography. To reach RC, visit the website at www.rclivesay.com or by email at rclivesay@yahoo.com.

GRAND LAKE

Lodging and Attractions

Whatever you have in mind as to where you would like to stay, chances are good we have it here in Grove & Grand Lake. Looking for a lake resort? We have those – from swanky to family-friendly. Maybe you’re looking for the excitement of a casino hotel resort? We have those too. And that’s just a couple of the many options you’ll find here at the Lake. We have brand-name hotels and motels, romantic cabins and cottages, lakeside RV parks, and vacation rental homes. Some are in town near all of the action while others are secluded and offer a true getaway from the daily grind.

Once you find the perfect place to relax during your visit, the lake region has plenty to do to keep your group busy. From golfing at championship courses and enjoying popular water activities, Grand Lake offers so much for all ages. There are numerous lake area landmarks to visit and some of the best shopping in all of Northeast Oklahoma can be found around the region and especially in Downtown Grove.

Grand Lake offers a wide array of events year around for you to enjoy. Fill up your calendar year around with concerts, art events, historical activities, and much more. Find event details online at www.groveok.org.

SHOPPING & DINING

Grove Et Grand Lake

Whether spending the day shopping until you drop or simply browsing, you will find many shops, boutiques, and galleries in Grove and Grand Lake that will make a seasoned shopper want to come back over and over again. Shopping is one of the most popular activities for visitors to Grand Lake and a favorite activity for locals as well. Local retailers offer something for every season and every need, from water toys and bathing suits to unique gifts and décor all year long and during the holiday season.

We do have a number of shopping themed special events throughout the year including Merchants' Open Houses, sidewalk sales, and more. You also will not want to miss our downtown Farmers' Markets every Saturday and our Food Truck Friday events happening the first Friday of every month with great food and great entertainment happening downtown on the square. In the winter, be sure to visit the ice skating rink located in the downtown area all decked out for the holidays and ready for some holiday fun.

Contact the Grove Area Chamber of Commerce at www.groveok.org ahead of your visit so that you can plan to include these events into your Grand Lake getaway!

FISHING

On Grand Lake

Grand Lake O' the Cherokees, more commonly known as Grand Lake, is in far northeastern Oklahoma in the foothills of the Ozark Mountains. The lake, featured in the northeastern loop of the Oklahoma Fishing Trail, was initially filled in the summer of 1940 following the completion of the Pensacola Dam. Most of the water in the lake flows into Oklahoma from east-central Kansas through the Neosho River. The Spring River, at 129 miles long, starts in Missouri and flows through Kansas into Oklahoma where it joins the Neosho at the area known as Twin Bridges. The Elk River's 32-mile stretch begins in Missouri and ends in Oklahoma. A portion of the watershed of the Elk River is in the northwest corner of Arkansas. Grand Lake hosts fishing tournaments from February to November and many use Wolf Creek Park for these activities. For more details on upcoming fishing events, visit the GACC website (www.groveok.org).

GRAND LAKE

History

The Grand River Dam Authority (GRDA) and Grand Lake story began in April 1935 when the Oklahoma Legislature created GRDA to be a conservation and reclamation district for the waters of the Grand River. Flowing for approximately 130 miles along the foothills of the Ozarks, the river was ideally suited for hydroelectric facilities and for many years pre-dating GRDA, many visionaries had worked to make a dam on the river a reality. That included Henry Holderman, who is credited with being the first to envision a Grand River Dam, as early as the 1890s.

In 1938, GRDA began construction on Pensacola Dam, utilizing abundant Depression-era laborers, who flocked to the area looking for work. Completed in 1940, the dam is both the longest, continuous multiple arch dam in the world, and Oklahoma's first hydroelectric facility. Featuring iconic arches and art deco elements, the dam is even listed on the National Register of Historic Places.

Its completion also created Grand Lake, a 46,500-surface acre lake that would transform the region from a rugged and rural landscape into one of the Midwest's premiere water recreation destinations. For over 80 years, Grand Lake has been an economic engine serving as the foundation for a thriving recreation and tourism industry in Northeast Oklahoma. With wide open expanses, quiet coves and miles and miles of scenic shorelines framed by the Ozark foothills, Grand Lake provides plenty of space for visitors and residents alike. Whether you come to fish, swim, sail, cruise, float or just enjoy the view, Grand Lake has something for everyone.

EDUCATE *Grand Lake*

Education prepares people to live cohesively in a community, participate politically, and contribute economically. Investing in education has individual, country-level, and global benefits and the Grand Lake area offers many educational opportunities.

The Grove Public Schools, home of the Ridgerunners, is the largest in the lake region. The school district offers a quality education experience to over 2,400 students in grades Pre-K through 12th. GPS continues to set a high standard for excellence in preparing students after graduation.

Northeast Technology Center is a premier training facility for both high school students and adults. They offer a wide selection of training programs and certifications.

The NEO-Grove Center offers many services including admissions, advisement and enrollment, placement testing, test proctoring, and high school equivalency preparation. Classroom space is available to provide general education requirements with on-site computer and internet access. The NEO-Grove Center is the go-to service center for Delaware County.

ECONOMIC

Development

The Grove Area Chamber of Commerce works to build long term community capacity and foster the integration of economic, social, and environmental objectives. These activities support the interests of the region and the GACC proudly leads the charge in launching and directing many initiatives to reach the economic development goals of the lake region.

Our purpose is to revitalize communities, develop and rehabilitate affordable housing, promote sustainability, attract investments, build wealth, encourage entrepreneurship, and create jobs while encouraging growth in visitor development and managing the destination marketing efforts of the region.

Supporting economic and visitor development in a community is an effective way to increase the quality of life and foster creativity and growth. For more information on opportunities, developments, and general investment questions, please contact the GACC team at 918-786-9079.

ECONOMIC *Development*

LEADERSHIP IN ACTION

A vibrant, growing community can be a dream for any developer. The Grove Public School system offers incredible opportunities for students to participate in C.O.W. Week, an annual philanthropy project. This combination of progressiveness and leadership on this level is remarkable. C.O.W. Week (Changing Our World) continues to be a thriving experience for the Grove area. Students raised \$173,288.99 for the local community crisis center to help with domestic violence and other vital services in Ottawa and Delaware counties. Since its inception in 2017, COW Week has raised more than \$340,000.

CHAMBER *In Action*

The largest city on Grand Lake O' the Cherokees, Grove is the economic, housing, entertainment and healthcare center for its eastern shores. Hosting thousands of visitors each year, Grove is very accessible - just a short 15-minute drive from Interstate 44 (Will Rogers Turnpike) with two airports serving the area, and a short drive from Tulsa, Joplin, Missouri, and Northwest Arkansas.

New residents and business owners are welcomed daily in Grove, which boasts a rich and colorful history and an enterprising attitude while retaining small-town traditions,

warm hospitality, and solid values. Grove has been rated by *Rand McNally*, the *Wall Street Journal*, and *Retirement Places Rated* as one of the top retirement areas in the nation. We are attracting an increasing number of new residents and retirees looking to discover for themselves what "Living the Grand Life" is all about. We are growing at the Grove Area Chamber of Commerce, and we look forward to serving as a resource for you, whether it be relocating, visiting, investing, or just exploring new options. Come see us soon!

SEE *Grand Lake*

NORTHEAST OKLAHOMA'S REGIONAL HEADQUARTERS FOR RECREATION, RETIREMENT, AND RELAXATION!

The lake spans 46,500 surface acres of water and 1,300 miles of shoreline that curves and curls into sheltered coves then straightens out into long space of immaculate beaches. Grand Lake continues to serve as one of the premier bass fishing lakes in the United States. In addition to bass fishing, anglers flock to northeastern Oklahoma for Grand Lake's population of huge catfish, hybrid stripers, crappies, and bluegill. The lake also has the distinction of being home to more prehistoric paddlefish or spoonbill than anywhere else in the world.

Grand Lake is 66 miles long and winds through the scenic Ozarks. Sailboats come from across the country to experience the lake's predictable winds due to its northeast to southwest orientation. Residents and visitors alike enjoy all types of recreational activities including swimming, water skiing, wakeboarding, paddleboarding, floating pads, boating, and much more. Off the lake, there are plenty of relaxing resorts and lakeside marina restaurants for shoreline entertainment.

GET YOURS KICKS AT GRAND LAKE & ON ROUTE 66

Grand Lake O' the Cherokees, Oklahoma's most beautiful lake, is located just 6.6 miles off the historic mother road. The lake is 46,500 acres and has a surface elevation of 745 feet. As you exit Route 66 to Highway 59, in the southern area of Ottawa County, you will find the short drive provides you with the view of the state's most breathtaking view of a body of water. The lake stretches 66 total miles across Delaware County.

Oklahoma's stretch of historic Route 66 provides more drivable miles than any state. If you are making the famous trip and traveling east-to-west, you will enter the state from the Kansas border into the towns of Quapaw and then Commerce. When you reach Miami, you will want to stop and take a tour of the historic Coleman Theatre Beautiful. It is a 1929 vaudeville theatre that has been completely restored thanks to the generous work of the Friends of the Coleman that raised millions of dollars for the remarkable renovations. As you make your way through town, you will approach the last stretch of the original 9 ft highway, Route 66 Ribbon Road. There is a historic marker on site for a photo opportunity.

Once you stop and experience that famous pavement, you will head toward Afton. Once you arrive at Buffalo Ranch, you will see the exit for Highway 59. This short detour off Route 66 will provide a beautiful scenic drive around the lake, which offers 1,300 miles of shoreline. Yes...it's that large and incredible! If you have a fisherman in your party, they will have a blast searching for largemouth bass, white bass, crappie, channel catfish, bluegill, and the rare and historic paddlefish on Grand Lake waters. Off the lake, there are exceptional recreational facilities and day rentals available from a large array of Grove Chamber of Commerce members. You can enjoy relaxing resorts and lakeside marina restaurants for shoreline entertainment.

If you choose to explore Delaware County and take a break off the mother road, contact our team at the Chamber for assistance with trip ideas, planning for overnight stays, catering and food options, and about anything else you can imagine. We welcome motorcoach bus groups, sports teams, class and family reunions, car and motorcycle clubs, casino gaming itineraries, and especially fishing groups and tournaments.
