All three will be greatly missed but we are glad they all plan to remain active with the MRCC.

PRESIDENT'S MESSAGE

Dear Friends and Colleagues,

I am honored to be elected as the MRCC President. I look forward to working with the Board and Chamber members to continue to grow and make the MRCC one of the premiere Chambers in the State of New Jersey. I am excited and energized about the many events planned for 2022, with the hopes of returning to mostly in person networking events again very soon.

The MRCC is here to serve you and your business. If there are any business topics that you would like the Chamber to address, please contact the Chamber staff.

I recommend everyone check out the many events planned both virtual and in person in 2022. I encourage members to get involved in Chamber committees. The power of the Chamber is its members working together.

The Chamber is here to help businesses especially in these challenging times. If I can assist you, please do not hesitate to contact me. Lastly, make 2022 the year your business takes off!

Thank you and stay safe.

MEMBER NEWS BRIEFS

- With confirmed cases of COVID-19 infection rising across the country, the **Westchester Medical Center Health Network (WMCHHealth)** is alerting community members to a comprehensive COVID-19 Recovery Program offered by Good Samaritan Hospital.

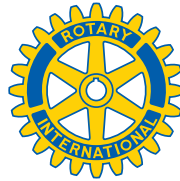

The COVID-19 Recovery Program provides care to individuals at any phase of COVID-19 infection, from testing and diagnosis to treatment for lingering Post-COVID Syndrome symptoms.

For those patients experiencing Post-COVID Syndrome symptoms – extreme fatigue, shortness of breath, joint pain, mental “fogginess” and more - care managers develop a plan tailored to their health needs. Each personalized COVID-19 treatment plan is led by providers in the WMCHHealth Physicians Bon Secours Medical Group with expertise in primary care, pulmonology (lungs), cardiology (heart), behavioral health, radiology and other specialties as needed.

The COVID-19 Recovery Program refers acutely ill patients to the Post-COVID-19 Recovery Program based at Westchester Medical Center, the WMCHHealth flagship hospital and quaternary care center for the Hudson Valley.

The COVID-19 Recovery Program is accepting new patients. To request information, have an assessment of your symptoms over the phone or recommendation to physicians, please call 845.671.2640.

- The **Bergen Highlands/Ramsey Rotary Club** has announced that applications for the annual John Royle Rotary Scholarship Awards are now available at the Guidance Offices of Ramsey, Mahwah and Northern Highlands High Schools, or by calling Awards Chairman John Royle at 973-728-8833.

Applications may also be downloaded at the BH/R Rotary Club website, bergenhighlandsrotary.org.

The awards are named for Mr. Royle’s father, who was a Rotarian for over 35 years. They are based on need, ability and contributions to school and community. These awards consist of \$1,250 at the beginning of each recipient’s freshman year and another \$1,250 at the beginning of the sophomore year.

The awards are offered annually to graduating seniors who are going on to higher education and who reside in the area served by the Bergen Highlands/Ramsey Rotary Club (Allendale, Mahwah, Ramsey, Saddle River and Upper Saddle River). The awards are offered to all seniors regardless of other scholarships applied for or granted.

For more information, please call Mr. Royle at 973-728-8833.

- Dianne McKim of **Precious Stones Coaching**, has new offerings that can help you professionally as well as personally.

Dianne recently achieved three new certifications: Associate Certified Coach (ACC), Strengths Champion Certified Coach® (SCCC), and DiSC® Certified Coach (DCC).

The great news is how these credentials can help you and your business.

The ACC was awarded to Dianne by the International Coaching Federation which sets the Gold standard in coaching. Dianne met their stringent education and experience requirements and demonstrated a thorough understanding of the coaching competencies that are the highest in the profession. This credential signifies her commitment to integrity, her understanding and mastery of coaching skills. Her dedication to her clients is integral to their success.

With the Strengths Champion Certification, Dianne offers and coaches around the Gallup StrengthsFinder assessment which identifies your natural talents so you and/or your team can perform better in the job, build stronger relationships and achieve personal and professional growth.

Dianne also offers and coaches around the DiSC® assessment tool, used by more than one million people every year, to help improve teamwork, communication, and productivity in the workplace.

Congratulations Dianne! Reach out and invest in your future and the future of your company. Dianne@PreciousStonesCoaching.com

- The charming Erie Caboose is a beloved symbol of Mahwah! From 1929-1968 it passed through town many times before it was retired to its current location, where it is a reminder of the importance of the railroad in Mahwah’s development. Today, the **Mahwah Museum** needs the public’s help to preserve it.

Sadly it has been closed for two years awaiting repairs. The best way to protect it is to build an old-style train Pavilion to shield it from the elements. However, construction costs have skyrocketed. The project is estimated to cost \$100,000.

We hope our local business community can help Save Our Caboose! For more details visit MahwahMuseum.org or call (201) 512-0099.
