No liability will be assumed by **CSS** for such shipments. Shipments without certified weight documents will be estimated by **CSS**. (**This estimate will be binding on both parties and no adjustments will be made after the show closes.*)
- ❖ **We will accept all cartons, crates, and skidded materials at the warehouse. Do not ship uncrated materials to the warehouse. Loose materials, uncrated materials, or machinery not banded to skids will be accepted at show site only.**
- ❖ **All van line shipments must be accompanied by a “certified weight ticket”, with heavy & light weights otherwise CSS will estimate freight weight, which will be binding on both parties and no adjustments will be made after the show closes.**
- ❖ All shipments for the show received either in advance or at show site will be assessed material handling charges by **CSS**. (*Please refer to the **Material Handling Rate Sheet**.*) All material handling rates are roundtrip and are based on incoming weights only. Overtime charges may apply under some circumstances, such as carrier-delayed freight delivered after designated move-in times.
- ❖ “Off-Target” freight is when freight arrives at the advance warehouse prior to the first scheduled day or after the last scheduled day indicated on both the show information sheet and the Material Handling Rate Sheet. If freight is delivered prior to the first scheduled day of advance freight receipt, storage charges may apply. If freight is delivered after the last scheduled day of advance freight receipt, additional delivery charges may apply.

MATERIAL HANDLING INCLUDES:

- Storing your booth, equipment, and materials in our warehouse for up to 30 days in advance of the show. (*Advance shipments only*)
- Delivering materials to your booth at show site.
- Removing empty containers from your booth, storing them for the duration of the show, then returning them to your booth at close of show.
- Moving packed and labeled materials from your booth to the dock area at close of show and reloading them on designated carriers based on information provided on your show site bill of lading (obtained from **CSS** Service Center).

MATERIAL HANDLING DOES NOT INCLUDE:

- Scheduling any carrier for pick-up or delivery of your materials, if other than the official show carrier(s). All carriers must be checked in by the designated re-routing time or exhibitor freight will be either re-routed with show carrier or returned to **CSS** warehouse at exhibitor expense. Please refer to **Material Handling Rate Sheet** for re-route times.

MATERIAL HANDLING INFORMATION & LIMITS OF LIABILITY

CONVENTION SERVICES OF THE SOUTHWEST. INC.

LIMITS OF LIABILITY

PLEASE READ:

CSS' liability is limited to physical loss or damage to a specific article which is lost or damaged, and in any event **CSS'** maximum liability will be limited to \$.30 per pound, per article with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less.

CSS will not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's materials which may make it impossible or impractical to exhibit said materials.

Claims for loss or damage that are not submitted to **CSS** within 30 days of the close of the show shall be considered waived.

The consignment or delivery of a shipment to **CSS** by an exhibitor, or by any shipper on behalf of the exhibitor, will be construed as an acceptance by such exhibitors (and/or shippers) of the terms and conditions set forth in this document.

To expedite removal of materials from the show site, **CSS** shall have the authority to change designated carriers, if such carriers do not pick-up on time. Where the exhibitor makes no disposition, materials will be either taken to a warehouse to await exhibitor's shipping instructions (in which case "return to the warehouse" charges will be incurred by exhibitor) or shipped to the exhibitor's address. Labeled shipments left in the facility at the close of the show without a bill of lading will be re-routed with the preferred carrier. No liability will be assumed as a result of such re-routing or handling.

INSURE ALL SHIPMENTS FROM THE TIME THEY LEAVE YOUR COMPANY UNTIL THEY ARE RETURNED FROM THE SHOW. Your present insurance carrier can add a rider to your current policy.

IT IS THE RESPONSIBILITY OF THE EXHIBITOR TO MAKE ALL ARRANGEMENTS FOR PICK-UP AND DELIVERY OF FREIGHT. IF YOU CHOOSE TO USE OUR PREFERRED CARRIER, WE WILL MAKE ALL OUTBOUND ARRANGEMENTS FOR YOU. A COMPLETED BILL OF LADING WILL STILL BE REQUIRED.

CSS will not be responsible for:

- Shipments delivered to the wrong booth due to improper labeling by the exhibitor.
- Misdirected shipments or removal of crates to storage due to old labels appearing on crates.
- Damage to uncrated or improperly packed materials, or concealed damage.
- Loss, theft, or disappearance of Exhibitor's material after it has been delivered to the exhibit booth.
- Loss, theft, or disappearance of Exhibitor's material prior to materials being picked up from exhibit booths for reloading after close of the show. **CSS** will check all bills of lading covering outgoing shipments at time of actual pick up from the exhibit booth. Corrections will be made to the bill of lading where discrepancies occur.
- Loss, damage, or delay due to fire, acts of God, strikes, lockouts, work stoppages of any kind, or any causes beyond **CSS** control.

The exhibitor accepts the responsibility for the payment of charges in connection with the handling of the shipment and guarantees payment to CSS for the incurred services described herewith. SEE PAYMENT POLICY.
