

Smithville
SMALL BUSINESS GRANT
APPLICATION
American Rescue Plan Act

Through the federal American Rescue Plan (ARP) Act funding program, the City of Smithville, in partnership with the Smithville Area Chamber of Commerce, is providing **one-time grants of up to \$2,500.00** to qualifying independent or locally owned for-profit small businesses located and operating in Smithville, negatively affected by the COVID-19 Pandemic.

Small businesses were hit hard by the pandemic, with many expending their small reserves to keep their doors open past the shut-down of small, non-essential businesses. The City and Chamber seek to assist those small business owners to keep their businesses running and help them thrive.

The grant is limited to one application per business, including businesses with multiple locations within the city of Smithville. Funds may be used for business-related expenses incurred after March 3, 2021 and prior to December 30, 2024. **Funds may not be used for duplicate expenses that were paid by other federal programs for the same time period. Applications will be accepted and processed until the funds are exhausted but not later than December 30, 2024.**

All completed grant applications will be submitted to the Smithville Chamber of Commerce via e-mail to april.daniels@smithvilletx.org or in person at 106 NE 1st Street, Smithville, TX 78957.

To meet grant eligibility criteria, the business must:

- Operate a physical business within the Smithville city limits.
- Have an EIN (show proof from the IRS or SS# if you are a sole proprietor or dba)
- Identify impact COVID-19 has had on your business.

Funding

- Funds may be used for operational costs (payroll, rent, mortgage, utility) or for COVID mitigation costs (additional outside seating, partitions, etc.), online store and online marketing and social media of products to potential online buyers and/or to expand your online sales and/or marketing footprint.
- Program period/expenditure timeframe is one year from date of application approval.
- During the program period, proof of payment must be submitted to document eligible use of grant funds.
- The recipient will be required to certify that the City's assistance is not duplicative of any other funding.
