**Hear business, community, and government leaders share their insights about the future of Windsor's Economy**

Windsor, ON – On Wednesday, March 8 from 7:30 a.m. – 9:00 a.m., the Windsor-Essex Regional Chamber of Commerce (WERCC), in partnership with the Ontario Chamber of Commerce (OCC) will host a regional launch of the Ontario Economic Report, a definitive platform that will help shape public policy discussions in the lead up to the provincial election, with featured keynote speaker Helmut Pastrick, Chief Economist, Central Credit Union 1. This event takes place at the Caboto Club, located at 2175 Parent Ave.

Along with the release of the Ontario Economic Report, the Windsor Chamber of Commerce will discuss new economic issues that highlight the vulnerable fiscal environment faced by Windsor's businesses and consumers.

This event will review the report's key findings in the Business Confidence Survey, delve into the economic underpinnings of the province, and will review the results of the Business Prosperity Index. We will look at the year ahead with the Economic Outlook, with a particular focus on the region of Windsor.
