

# SPONSORSHIP LEVELS

## Help Support the Engineering Education Foundation of America!

EEFA's annual golf tournament is our biggest fundraiser of the year, and all of the proceeds go directly towards funding EEFA's biannual scholarship awards, as well as supporting our K-12 and post-secondary outreach programs, along with workforce retention efforts!

Enjoy an afternoon of fun and networking with us out on the beautiful Oak Marsh Golf Course, and help support current and future engineers and their education!

Interested in being more than just a tournament sponsor? Make an additional donation of either \$1000 or \$1500 to receive a scholarship for that amount given out in your firm's name!

SPONSOR BENEFITS	ACE \$3500	EAGLE \$2000	BIRDIE \$1500	PAR \$750
