Dear Oklahoma Coaches Association members,

I am honored to submit my candidacy for Vice President of the Oklahoma Coaches Association. For the past 26 years, I have served on multiple advisory boards and committees within the OFBCA, OCCTCA, and the OCA, supporting their missions and witnessing firsthand the impact these organizations have on coaches and student-athletes across our state. My career has been built on a deep passion for all sports and an unwavering commitment to student-athlete success. My various roles include head coach and assistant coach in football, basketball, track, and wrestling for middle school and high school.

Throughout these 26 years of involvement, I have had the privilege of participating in Association events, professional development opportunities, and statewide initiatives that strengthen our coaching community. This long-standing commitment has given me a deep appreciation for the traditions, leadership, and service that define the Oklahoma Coaches Association. As a young coach I observed my mentors, Jim Dixon, Jeff Nye, and Tony Duck get highly involved with OCA, and from a young age, I wanted to do the same.

My experience serving in multiple coaching roles across Oklahoma (SKIATOOK, HOBART, CLINTON, SULPHUR, & MARLOW) has allowed me to build lasting relationships and understand the diverse perspectives of coaches in programs of all sizes. I believe this broad experience, combined with my sustained involvement in the Association, uniquely prepares me to serve effectively as Vice President.

My wife, Misty and I have been married for 26 years. We have been actively involved in coaching and education throughout our marriage. We have four boys, Jace, Cade, Clete, and Jett who have grown up living the ultimate coaches kid dream. Bus rides, locker rooms, and sidelines. This life has had a tremendous impact on my children's future and my family's success.

If elected, I will work collaboratively with the President and Executive Board to enhance member engagement, expand leadership development opportunities, and ensure that every coach in Oklahoma feels supported and represented. I am committed to preserving the strong foundation of our Association while helping guide it toward continued progress and excellence.

It would be a privilege to serve the Oklahoma Coaches Association in this capacity. Thank you for your time, consideration, and dedication to our profession.

Respectfully,
