

Dear OCA Members,

I am writing to express my interest in serving as Vice President of the Oklahoma Coaches Association. As a dedicated coach and leader, I have a strong interest in supporting the coaches and student-athletes of Oklahoma.

Throughout my career, I have been committed to building programs with three key components: integrity, accountability, and competitive greatness. I believe that our association is key to providing resources, advocacy, and professional development opportunities to coaches at every level. Our association also impacts student-athletes by providing opportunities like the all-state games and scholarships to further the education process.

As Vice-President, my focus would be to represent our association with professionalism, transparency, and a strong work ethic. It would be an honor to help move the association forward and contribute to its mission and growth.

Thank you for your consideration

Sincerely,
