

About the 2025 National Civics Bee®

Background for Educators & Parents

The National Civics Bee® is a national nonpartisan competition that encourages young Americans to engage in civics and contribute to their communities. Participating 6th, 7th, and 8th grade students flex their civics knowledge for a chance to win recognition and cash prizes, and there is no cost to participate. Finalists who advance to the national competition will compete for prizes worth more than \$50,000.

The U.S. Chamber of Commerce Foundation created the National Civics Bee® because we believe informed and active citizens make for a strong country, a strong economy, and a strong workforce, and that our continued prosperity depends on the strength of all three.
